

-Ramkrishna Samvedana Trust is a voluntary organization that is working for the underprivileged community families in the interior villages of geographically hilly region of Navsari, Valsad, Dang and Tapi district of South Gujarat and Nashik district of Maharashtra which are educationally and economically backward and in need of medical services with the aim of facilitating holistic development. Health related activities are done in association with Valsad Raktadan Kendra.

### Area of Work

### Glimpse of Activities

- Adolescent Health awareness
- Eye, Dental and other medical camps
- Care of pregnant and lactating mother, malnourished children and treatment of anemia
- Youth empowerment
- Supplementary education in Government Primary Schools

### Adolescent Health Awareness

Dr. Ami Yagnik taking session on Adolescent Health

During sessions on adolescent health in high schools and colleges, teenage boys and girls are given education about their physical, mental as well as emotional health with the help of exhibition, videos, games as well as dialogues. Guidance about hygiene during menstruation is also given to adolescent girls. The Kit containing Flalin cloth pads, pamphlet about cleanliness during menstruation and booklet on "Mugdhavastha ni Munzvano" is also distributed to them. Sewa Rural, Jhagadia, Dist. Bharuch gives technical guidance for this program.

Year	Number Of Sessions	Number of participating adolescents
2016-2017	123	15,306
2017-2018	183+80	35,360
2018-2019	Target 250	Target 40,000

### Dental Treatment Camp

Once in a week Dr. Dineshbhai (Dental Surgeon, USA) from Arch organization, Dharampur comes in specially equipped AC Dental Care Bus to conduct Dental treatment camps in interior villages. During last Three years more than 132 such camps were held where 2929 patients received treatment.

### Eye Treatment Camp

Once a month (every third Sunday) we are conducting Eye Camps at present premise of Ramkrishna Samvedna Trust. We have seen people becoming blind due to lack of treatment. We provide comprehensive eye care services- diagnostic as well as Surgical- free of cost to the patients through our sister NGO Subham Netraseva Trust. Our trustee Dr. Rohan Chariwala, an Eye Surgeon himself and Public Health Expert has taken a lead in combating avoidable blindness in this rural-tribal region.

### Care of pregnant and lactating mother, malnourished children and treatment of anemia

Dr. Gaurij Hood and Dr. Kusumben from Shrimad Rajchandra hospital are examining patients

Pregnant and lactating mothers of project area are given health education and treatment through regular medical camps. We create awareness regarding important health related issues like Sickle cell anemia, AIDS, Family planning, Addiction etc. through education. 11 Healthy Medical Camps

### Youth Empowerment

Students are viewing exhibition on Swami Vivekanand in school
